Ride From Baltimore in
Auto.

**EPICURE OF NAVY
WAITS FOR VERDICT**

Chief Commissary Steward Reuter-
mann Confined on the Reina
Mercedes.

NEWPORT, R. I., April 15.—The navy's chief exponent of scientific cooking for Uncle Sam's sailors and marines, Chief Commissary Steward John Reutemann, is confined on the Reina Mercedes at the naval torpedo station here today awaiting the reading of his summary court-martial sentence after its approval at Washington.

It was alleged that Reutemann had made uncomplimentary remarks about Paymaster Cope. He is known throughout the navy for his recommendations in the improvement of navy cooking schools and for his advocacy of diets designed to suit the climates the sailors are in, instead of one stereotyped diet for all climates.

**STRIKE ON LAKES
EXPECTED TONIGHT**

If Carriers Do Not Recede, Thou-
sands of Union Men
Will Go Out.

BUFFALO, N. Y., April 15.—The trouble which has been brewing between the big freight lines of the Lake Carriers' Association, and the marine unions has come to an issue with an ultimatum which the unions have sent to the president of the association.

There will be a strike of engineers, firemen, and seamen if the lake carriers do not recede from their stand. They must eliminate the open-shop clause from contracts and give up the welfare plan. Nothing but a back-down on the part of the lake carriers now can prevent a strike of 15,000 marine workers on the lakes from becoming effective at midnight tonight.
